

K-LOVE radio serves me and my local community by providing positive and encourageing music. I belive that in the world today there is too much negative and if K-LOVE were to be displaced by a LPFM broadcast it would have a negative effect on my community. The service provided by K-LOVE is in the public interest. My local stations are heard on 90.9, 91.3 and 89.1 and I encourage you to perserve the encouraging impact this station has on communities all across America.
